

August 25, 2017

To the Hamilton County Board of Election Commissioners:

My name is Patricia Horton-Sandmayr, a registered voter and resident of Loveland, Ohio.

I hereby protest the petitions of Andrew Bateman, candidate for Loveland city council. His total signature count was 83 signatures, more than three times the allowed minimum permitted. His petitions should be rejected.

Within the Hamilton County 2017 Election Candidate petition packet contains the "2017 Ohio Candidate Requirement Guide" by Jon Husted, Ohio Secretary of State.

On the last page, page 17, Number 15 reads:

15. No petition shall be accepted if contains more than three times the minimum number of required signatures (R.C. 3523.05, 3513.257, 3513.259).

Andrew Bateman submitted 13 part-petitions. The minimum number of signatures required is 25. Three times that amount is 75 signatures. Andrew Bateman submitted 83 signatures.

In clear language, no petition SHALL be accepted if over the maximum allowed number. For failing to follow the clear directives of the Secretary of State and the Hamilton County Board of Election, I respectfully request that the petitions of Andrew Bateman be rejected.

The Loveland City Charter basically duplicates the same requirement for signatures. It stipulates:

Nominations for the office of Council member shall be made by petition signed by not less than twenty-five (25) nor more than fifty (50) electors of the City.

Again, Bateman submitted 83 signatures. The city Charter says NOR MORE than 50 signatures.

Attached to this letter, please find the 2017 Ohio Candidate Requirement Guide handout, along with the Nominations section of the Charter of the City of Loveland, OH.

Sincerely,

Patricia Horton-Sandmayr

HAMILTON COUNTY
BOARD OF ELECTIONS
2017 AUG 25 AM 9:13

Petitions

County boards of election will provide at least one copy of a candidate petition form upon request. Candidates are permitted to make copies of the forms in the manner they were provided.

Petitions contain three separate sections:

1. The Statement of Candidacy,
2. The Nominating Petition, and
3. The Circulator's Statement.

Group Petitions

Ohio law provides for a "group petition" to be used by candidates nominated only by nominating petition for the following offices: member of a board of education, township trustee (in years when two trustees are to be elected), and offices of villages with under 2,000 population. (R.C. 3513.261)

If a group of candidates for one of these offices wants to jointly circulate and file a single petition, they may do so by using the appropriate form:

#3-S township office;

#3-MA offices in villages with under 2,000 population;

#3-U city, local, or exempted village board of education;

#3-X at-large members of education service center; or

#3-YA members of newly formed educational service center.

Each of the candidates named in the group petition must sign the "Statement of Candidacy," and each must pay a separate filing fee. All signatures affixed to the petition are credited to each candidate named on the petition. (R.C. 3513.10, 3513.261)

Rules Governing Petitions

Below is an overview of the rules governing petitions. For additional information on rules governing petitions, please see Chapter 11 of the Ohio Election Official Manual.

1. The Statement of Candidacy portion of each petition paper must be completely filled out and signed by the candidate(s) before being circulated (R.C. 3513.07, 3513.09, 3513.261).
2. Candidates for county commissioner or judge must designate the term of office on the Declaration of Candidacy or Nominating Petition, if more than one office is to be elected at the election (R.C. 3513.08, 3513.28).
3. Only qualified electors who are eligible to vote on the candidacy may sign a petition. An elector's qualifications are determined as of the date the petition is filed (R.C. 3501.38(A)).

(this section continues on the next page)

4. Each signature, written in ink, must be an original signature of an elector or the elector's duly appointed attorney-in-fact who is acting pursuant to R.C. 3501.382. Generally, signing or affixing a signature to petition requires a person's written, cursive-style legal mark written in that person's own hand unless the elector does not use a cursive-style mark during the course of his or her regular business or legal affairs. However, a voter with a disability may personally affix his or her signature through the use of a reasonable accommodation, including the use of assistive technology or an augmentative device such as a signature stamp. (R.C. 3501.011, R.C. 3501.382(F) and related OAG 2015-012).
5. Each signer's residence address and the date of signing must be placed on the petition after the elector's signature. The voting address written on the petition must be the address appearing in the registration records of the board of elections (R.C. 3501.38 (C)).
6. Petitions for a candidate for party nomination must be signed and circulated by persons who are members of the same political party as the candidate (R.C. 3513.07). An elector is considered to be a member of a political party if he or she voted in the primary election of that party within the preceding two calendar years, or if he or she did not vote in any other party's primary election within the preceding two calendar years (R.C. 3513.05, 7th paragraph).
7. A candidate may circulate his or her own petition, although he or she may not sign his or her own petition as an elector. For purposes of circulating his or her own petition, a candidate is exempted from the party affiliation requirements described in number 6 of this section (R.C. 3513.191(C)(4)). A circulator may not sign the same petition paper that he or she is circulating. A circulator may, however, sign a petition paper being circulated for the same candidacy by a different circulator.
8. A circulator must be at least 18 years of age (R.C. 3503.06(C)). (The Ohio residency requirement is not currently in place based on the preliminary injunction in *Citizens in Charge v. Husted*, Case: 2:13-cv-00935 (S.D. Ohio 11/13/13)).
9. After circulating the petition, the circulator must sign a statement, under penalty of election falsification indicating the following:
 - a. The number of signatures contained on the petition;
 - b. That the circulator witnessed the affixing of each signature on the petition;
 - c. That all signers, to the best of the circulator's knowledge and belief, were qualified to sign; and

(this section continues on the next page)

10. That each signature is, to the best of the circulator's knowledge and belief, the signature of the person whose signature it purports to be.
11. If a circulator knowingly permits an unqualified person to sign a petition paper or permits a person to write a name other than the person's own on the petition paper, that petition paper is invalid; otherwise, the signature of a person not qualified to sign shall be rejected but shall not invalidate the other valid signatures on the petition paper (R.C. 3501.38(F)).
12. Once a candidate's petition has been filed with the appropriate election official, it cannot be changed, supplemented, or returned to the candidate.
13. The original petition with the candidate's original signature must be filed at the same time as all part petitions are filed (R.C. 3501.38(K), 3513.09).
14. Each petition paper shall be circulated by one person only, and shall contain signatures of qualified electors of one county only. When petitions are circulated in a district that contains more than one county, separate petition papers must be circulated in each county (R.C. 3501.38, 3513.05, 3513.07, 3513.261).
15. No petition shall be accepted if it contains more than three times the minimum number of required signatures (R.C. 3513.05, 3513.257, 3513.259).
16. All petitions must contain the following statement in boldface capital letters: "WHOEVER COMMITS ELECTION FALSIFICATION IS GUILTY OF A FELONY OF THE FIFTH DEGREE." (R.C. 3501.38(J), 3599.36).

Note: The penalties for a fifth degree felony conviction are six to 12 months in prison and/or a fine of \$2,500.

17. All petitions remain open for public inspection, under reasonable regulations, at the board of elections at which they were filed (R.C. 3513.05, 3513.262).

SECTION 10.01 MUNICIPAL ELECTIONS.

The regular election for the choice of members of the Council shall be held at the general election in the odd-numbered years. This shall be known as the Municipal Election. The Council may, by resolution, order a Special Election at any time, the purpose of which shall be set forth in the resolution.

(Amended 11-6-01)

SECTION 10.02 CONDUCT OF ELECTIONS.

All elections shall be conducted under the provisions of this Charter by the Board of Elections of the respective counties in which the City lies. Where the Charter is silent, the provisions of the laws of Ohio shall be followed.

(Amended 11-7-00; 11-6-01)

SECTION 10.03 NOMINATIONS.

No primary election shall be held for the nomination of candidates for Council. Nominations for the office of Council member shall be made by petition signed by not less than twenty-five (25) nor more than fifty (50) electors of the City. Petitions shall be the standard forms for the nomination of individual nonpartisan candidates for such office. Group petitions shall not be used. Petitions shall be filed with the Board of Elections within the time period specified by the Ohio Revised Code. An elector may sign only as many petitions as there are Council members to be elected at the Municipal election for which the nominations are made.

(Amended 11-6-01)

SECTION 10.04 SPONSORS, ACCEPTANCE, VERIFICATION.

Each candidate shall have a sponsoring committee of five (5) qualified voters, whose names and addresses shall appear on each copy of the petition. The signature of the candidate indicating acceptance of the nomination and willingness to serve if elected shall appear on each copy of the petition. The petition may be in a number of parts, but each part shall be verified under oath by the circulator, as required by law.
